OAK PARK PRESCHOOL

We strive for a balanced, nurturing, developmental approach to educate the whole child. Children from 2 (potty-trained) through 5 years are welcome.

Oak Park Preschool is a high quality, licensed, state-funded preschool proudly serving diverse families since 1966, now with *two* campuses. The program includes full-time and part-time, free and reduced fee programs based upon eligibility.

Our program provides freedom for children to have spontaneous play and interaction, make discoveries, explore, solve problems, and develop social skills.

In addition, structured, teacher-directed activities provide for individualized and small group learning. Our curriculum supports children as they develop the school readiness skills, self-esteem, and the executive functioning skills that promote long-term school success.
